

Welcome to EagleNaz LIFE Groups for Fall '24!

Have you ever started a project by yourself, maybe building a piece of furniture or doing yard work, and then had others come alongside to help? It makes a difference! God hasn't designed us to live the Christian life alone, either, but to walk with others, so we're so glad you've joined this group as we journey together!

1 - Introduce yourself! Share your name, where you were born, a little about your family and how you got connected to Eagle Naz Church - ALSO your favorite thing about the Fall season.

2 - Watch the Week 1 Video with Pastor Scott

3 - Read & Discuss: We are created for relationship -

- **Read Genesis 1:27-31** - What does this passage tell us about our core identity, and of all humankind? This is a foundational Biblical principle!
- **Next read Genesis 2:18** - After declaring everything else in Creation to be good, God says it is "not good" for us to be alone. What does this reveal about God and about our nature?

*There is a well-known African proverb that says,
"If you want to go fast, go alone. If you want to go far, go together."*

How does this relate to being in LIFE Group - and to your reasons for joining this group...

4 - Let's talk about Sunday's sermon

Pastor Giuseppe preached on 9/15 about Jesus healing a demon-possessed man. Let's talk about it...

- **Read Mark 5:1-20**
- Mark is writing down the stories that the disciple Peter had witnessed. What message does Mark want us to understand from this story?
- At the end of the story, the healed man shares with others what Jesus had done for him. What stories can we share from our lives?
- This story is quite dramatic, but maybe you know someone you can be praying for God to bring healing into their life.

Spiritual Formation Tools

This week you will bring home 2 important tools to use for your LIFE Group experience:

- **The Spiritual Health Inventory**
- **The Rule of Life chart**

Take these home and find some time to read through and answer the Inventory questions that Pastor Scott talked about in the video, and look over the Rule of Life chart. Be ready to share your thoughts next week, and we'll use these tools in the weeks ahead to grow closer to God and to each other!
